

Advertising & Video Production Services

TalkinLive.com | 423/290-9194 | 24 Millennium Circle, Ringgold, Georgia

WELCOME

“TV advertising can now combine the targeting and measurement capabilities of digital with the reach and impact of TV.”

Television broadcasting is undergoing a bold transformation—across products, platforms, programming, and leaders. As the industry evolves, offering new choices for consumers and professionals alike, staying at the forefront of innovation is more critical than ever. And now, there’s a dynamic new player in the mix.

The *Talkin Live™ TV Broadcast Studio* is redefining the broadcast experience—on television, online, and on-the-go. Our team delivers podcasts, live shows and entertainment programming with a commitment to excellence, powered by cutting-edge video technology

Founded by visionary Lamar Bearden, *Talkin Live™ TV* operates from a state-of-the-art broadcast studio located in North Georgia, just outside Chattanooga, Tennessee — a region experiencing rapid growth and opportunity. With strong market coverage locally and expanding reach globally, the *Talkin Live™ TV Broadcast Studio* is poised to make a lasting impact on the future of media.

About the Studio

Our fully equipped TV studio set offers a versatile environment for filming interviews, promotional content, livestreams, and more. With professional lighting, multiple camera angles, and customizable backdrops, we provide everything you need to produce high-quality video content that stands out. We also support remote virtual interviews, allowing guests to join seamlessly from anywhere in the world—perfect for hybrid productions and expanding your reach.

We deliver high-quality podcast production services tailored to creators, entrepreneurs, and organizations looking to elevate their voice. Whether you're launching your first show or scaling an existing series, our team is here to support every step of the journey.

We offer flexible packages for solo podcasters, co-hosted shows, and branded content. From concept development to post-production editing, we ensure your message sounds as powerful as it deserves to be.

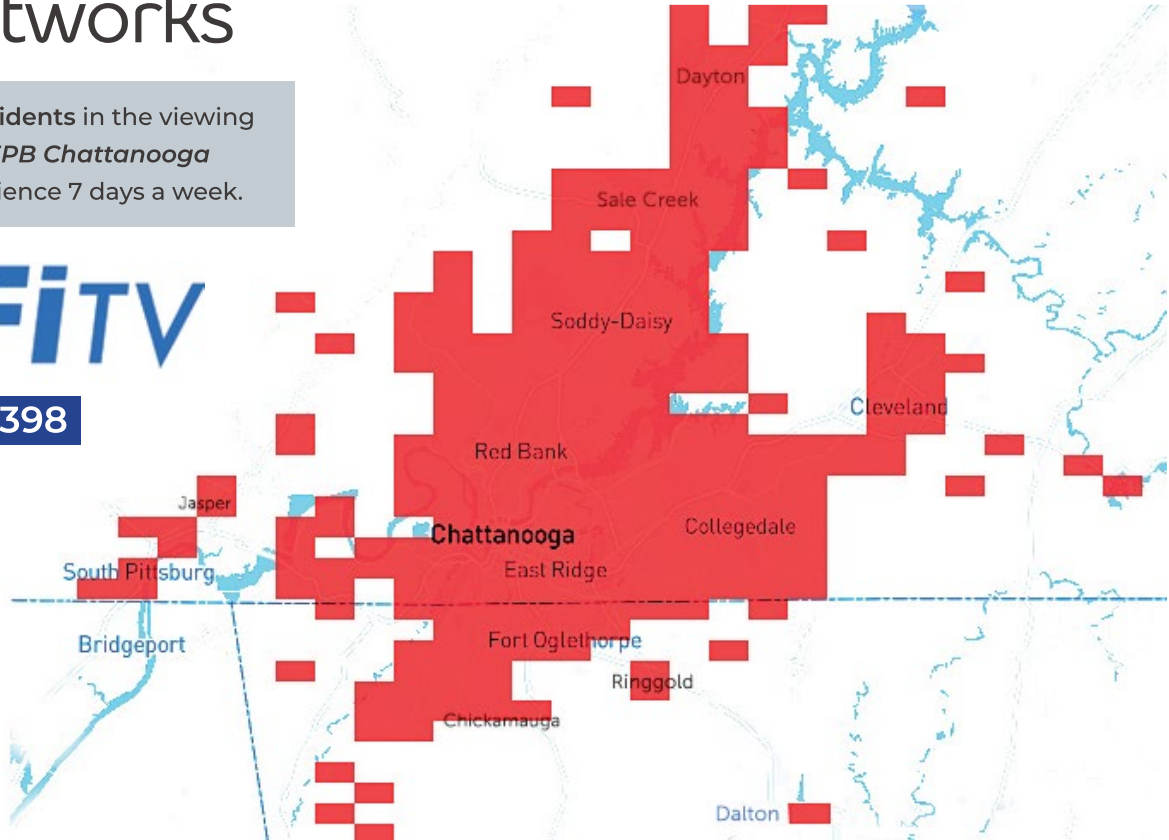

Let's create something worth watching—and listening to.

Audio Podcast

Feature your podcast on top platforms like *Spotify*, *iHeartRadio*, *Google Podcasts*, and *Apple Podcasts*—placing it where millions of listeners already tune in. With visibility on these major apps and additional placement in other leading directories, your show becomes instantly accessible to a global audience, expanding its reach and discoverability across the podcasting landscape.

Video Production

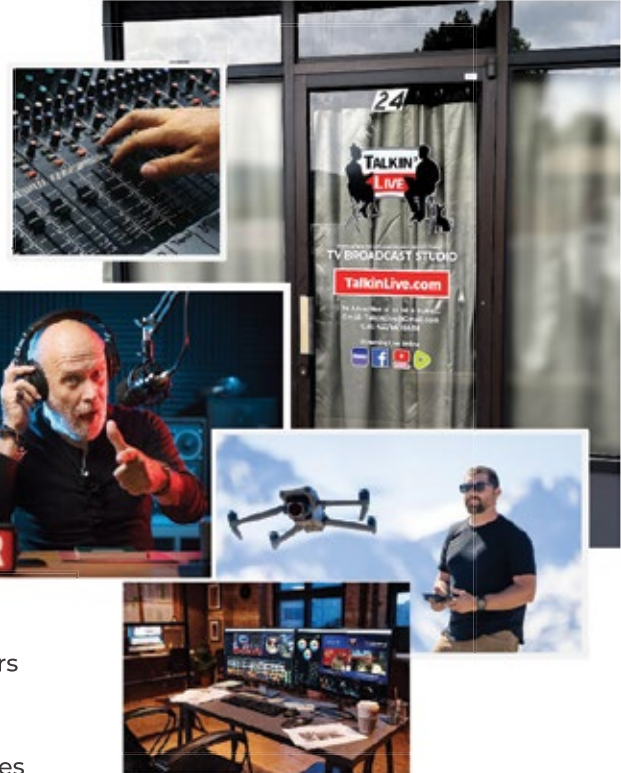

Talkin Live™ TV Broadcast Studio is your premier destination for your high-quality video production. Conveniently located just outside Chattanooga, we're easily accessible from both the Atlanta and Nashville metro areas—right in the heart of scenic North Georgia.

Our facility features versatile sets, including a fully equipped talk show sets, an intimate interview space, and a set ideal for a wide range of podcast productions.

Whether you need a turnkey studio rental or full-service production support, we're ready to bring your vision to life. Our team leverages cutting-edge audio and video technology to deliver compelling promotional, instructional, and original content at competitive rates.

We offer comprehensive post-production services, with expert editors who tailor each project to meet your creative and technical goals.

From drone footage to professional live streaming, our studio provides everything you need to record or broadcast seamlessly to any platform.

Podcast Production

Elevate Your Podcast Production at *Talkin Live™ TV Broadcast Studio*.

We offer four fully equipped studios tailored to meet the demands of any podcast format—delivering a seamless, professional experience for creators who value quality and efficiency. Each studio features broadcast-grade cameras, lighting, audio systems, and curated scenic elements, ensuring your content looks and sounds exceptional.

Our facilities comfortably accommodate up to four podcasters per session, with integrated support for phone and video call-ins. On-site technical assistance is available to help with setup, monitoring, and troubleshooting—so you can focus on your message, not the mechanics. And when the recording wraps, our optional post-production services are ready to polish your content with expert editing, mixing, and mastering.

Conveniently located in a safe, professional environment, our studios eliminate the need for costly equipment purchases or upgrades—just walk in and start creating. No insurance requirements. No technical headaches. Just everything you need to produce polished, network-quality podcasts—stress-free.

Book your studio today and bring your vision to life.

CURRENT PROGRAMMING

Timeless Classics TV™

Step into a world where storytelling never fades—Timeless Classics TV™, your 24/7 streaming destination for the shows that shaped generations and continue to inspire. Whether you're revisiting childhood favorites or discovering iconic series for the first time, our channel delivers a curated lineup of vintage television that's rich in heart, history, and heritage.

Each day of the week invites viewers on a genre-driven journey through television's golden age:

Mondays: *The Briefing Room Classic War Dramas* Honor bravery and sacrifice with gripping tales of heroism, resilience, and the human spirit. These cinematic masterpieces offer a powerful lens into history's most defining moments.

Tuesdays: *Classic Movie Dramas* Immerse yourself in timeless performances and unforgettable plots. From sweeping romances to courtroom showdowns, these films showcase the emotional depth and artistry of vintage cinema.

Wednesdays: *Classic Westerns* Saddle up for frontier justice, dusty trails, and legendary outlaws. Our Western lineup captures the rugged charm and moral complexity of America's most enduring genre.

Timeless Classics TV™

Thursdays: *Classic Television Vault* Rediscover the shows that defined an era. From sitcoms to variety hours, Thursdays celebrate the rare gems and beloved series that laid the foundation for modern entertainment.

Fridays: *Classic Sci-Fi* Blast off into retro futurism and space-bound adventures. These mind-bending tales of technology, time travel, and alien encounters still spark wonder and imagination.

Saturdays: *Classic Kids Cartoons* Relive the joy of Saturday mornings with a vibrant mix of animated favorites. Wholesome, whimsical, and endlessly entertaining—perfect for kids and kids-at-heart.

Sundays: *Gospel & Praise Sundays*. Slow down and lift your spirit with a full day of worship, inspiration, and community. From traditional services to soulful gospel music, Sundays are a celebration of faith and reflection.

With no subscriptions, no gimmicks, Timeless Classics TV™ is always on—streaming online whenever nostalgia calls or curiosity strikes. It's more than a channel. It's a living archive of the stories that shaped us, the voices that moved us, and the moments we'll never forget.

Talkin' Live Show™

The *Talkin Live™ Show*, hosted by Lamar Bearden, is a dynamic, unfiltered talk show that tackles today's most pressing and polarizing issues with honesty, depth, and fearless curiosity. Airing live every Tuesday and Thursday at 7 PM EST, the show invites voices from across the political and cultural spectrum—creating a space where diverse perspectives are not only welcomed, but encouraged.

With a reputation for candid dialogue and no-topic-off-limits editorial, *Talkin Live™* has built a loyal and highly engaged audience that values authenticity over spin. From controversial guests to taboo topics, Lamar Bearden leads with direct questions and open-minded discourse, making the show a trusted platform for meaningful conversation.

Whether viewers are tuning in for spirited debate or raw commentary, *Talkin Live™* delivers consistent viewership and high audience interaction—making it an ideal environment for advertisers seeking reach, relevance, and resonance.

Partner with Talkin Live™ to connect your brand with a bold, engaged™ audience that values truth, transparency, and real talk.

Weekdays

Commander Chuck's Local Traffic Report airs every 30 minutes during your weekday morning and afternoon commutes, keeping drivers informed with the latest road updates to help you avoid delays and drive smart.

Majestic Weather Forecasts delivers accurate, up-to-the-minute updates for Chattanooga and North Georgia—helping you plan ahead with clear, reliable updates that make every day a little smoother.

New Shows Coming Soon!

We're always on the lookout for fresh, original show concepts to premiere on our channel—if you've got a bold idea or a unique voice, we want to hear it. Let's create something unforgettable.
